

A LIFE OF PURPOSE

DEVOTION:

If Christ has not been raised, our preaching is useless and so is your faith. More than that, we are then found to be false witnesses about God, for we have testified about God that He raised Christ from the dead.

The well-known scientist Blaise Pascal once remarked that the world would have been destroyed and become some kind of hell if Christ did not exist.

If Christ did not exist, was not raised from the dead, this life would be all that we have. All our faithful loved ones who believed in Christ would be lost. Our sin would be for our account. Yes, no one would be pitied more than us, because our faith would have no content and would be without any value.

Try to imagine for one moment what would have happened to the world, your daily routine, your life, if Christ did not exist and was not raised from the dead. Would there have been anything to live for? Christ makes the difference between a senseless life and a life with purpose.
